Meet the instant e-Age banking tool

In today's business environment, with so many deadlines to fulfil, appointments to meet and meetings to attend, you are hard pressed for time. Don't you wish you could do all your important activities while travelling from one meeting to another?

As a leading private sector bank in Bangladesh, The Premier Bank Limited presents SMS Banking Service. Now you can be informed about banking transactions and inquiries through our SMS Banking service. You can check your balance, stop a cheque payment, or even get your statements. Our SMS Banking service provides you with real time account at a true "anywhere, anytime, anyhow" convenience.

SMS (Short Message Service) Banking is one of the modern banking features. This is the most convenient, low-cost and quickest way of banking. The service is available round the clock seven days a week.

Premier Bank SMS Banking brings your bank accounts to your fingertips. IT works using Short Messaging Service (SMS) Technology. Finally, an account that travels with you, wherever you go.
